

What makes me happy?  
Well, I've been married to  
the man I adore for 36  
and we are going to  
celebrate our 30th  
marriage anniversary next  
October 28. We have two  
sons, 22 and 29 years old,  
I am surrounded by love.  
Each second of my life I  
find a little happiness.
